

Dear Birth Parent/Parents,
We are Brian and Jennifer. We live in beautiful, Central Florida, with convenient access to the theme parks and all that Florida has to offer. We have been happily together for 4 years. We are proud pet parents to our sweet dog Cooper, who we love wholeheartedly. Our family

has so much love to offer, and we look forward to becoming parents through adoption.

We have stable careers in law enforcement and education. Brian works as a law enforcement officer for the State of Florida. He has been employed with the state for 10 years. Jennifer is an elementary school teacher, working with the special needs population. She has been in her current position for 3 years, and teaching for 21 years.

Our home is in an ideal community to raise a child! We live in a quiet, family friendly town with access to community parks, lakes, and top rated schools. In addition we are blessed to have both sets of parents close by, as well as sibling and their families.

Traveling is a hobby in which we enjoy. On average, we take four vacations per year. We enjoy touring the Southeastern United States and various historical sites. South Carolina is our favorite travel spot. Brian was born and raised in historic Charleston and Jennifer attended college in South Carolina and lived on Hilton Head Island for many years.

We cannot wait to become parents! We would be honored to meet you and answer any questions you have. Thank you for your consideration. May God bless you and your baby.
