

Hello there!

Let me introduce to you one of the most outgoing, fun-loving, adventure-seeking, close-knit families around: Tim, Katie and Molly!

First off we have to say 'THANK YOU' for taking a look at our page! I know this decision isn't an easy one to make and can be quite difficult. Just know that we are sensitive and understanding to your feelings. I hope we get to embark on this beautiful journey together. You are not alone and with any luck, we'll be on this ride together. And if you're with us you better buckle-up, 'cause it's sure to be a wild one!

♥Our Wedding day ♥

Let me tell you a little about us. Tim and I met in 2006 when we were teenagers! A couple of our friends introduced us and our story began from there. We have been crazy about each other ever since. We got married in 2010 in the mountains. It was a small, intimate ceremony. We decided to start a family pretty quickly after we got married but years went by and still no child to hold.... But then a miracle happened in 2014 and we became parents to a beautiful baby girl through the gift of adoption! When we held her and our hearts melted. We are very open with our daughter about her story and we still communicate with her birthmother. We can never repay our birthmother with her selfless act but we can strive to be the best parents we can be.

As a family we love to be outdoors. We go camping, kayaking, hiking, biking, swimming....just anything that gets us some “fun in the sun” we’ll do! We are also aspiring karaoke stars! On any given day you can see us singing along to our favorite songs in the car or if we are out and about. I’m sure others look at us like we are a wild bunch but hey, that is us!! We love to be different!

We know we have more love to give and hope to expand our little family. We are not quite complete yet. Our missing puzzle piece is still out there!!

So if you want a crafting, picture taking, cookie-baking, caring and sensitive mom, you found her right here! If you want a doting, total devoted, homework-helping, bug-searching, playing-with-Barbies kind of dad, you’ve also found him! And if you want a big sister who has a heart of gold, loves all animals (yes, I mean ALL OF THEM) and who is truly a sweet soul, you’ve got her! I hope you consider us to be a part of you, and you of us.

\*yes, we were told to hold her doggie while we were ice-skating!
